Changes for Organisations

Almost all community and voluntary are now obliged to register with the Charity Regulator. Groups are also encouraged to sign up to the Governance Code. More and more, organisations in the community and voluntary sector will be expected to have done one or both of these in order to receive grant funding etc. It can be a challenging time for groups. This one-day workshop provides a cohesive package of training that brings together related topics directly relevant to groups.

Workshop Content Includes

- ⇒ Having the right structure for your group
- ⇒ Understanding the Charity Regulations
- ⇒ Introduction to the Governance Code

Benefits of Attending

- ◆ Gain an understanding of the Charity Regulations and the Governance Code.
- ◆ Learn what steps you now need to take.
- ◆ Know what resources are available to help.
- ◆ Ensure your organisation is following best practice.
